BiOWiSH Technologies, Inc.  
2724 Erie Avenue, Suite C  
Cincinnati, OH 45208 USA

**PHYSICAL/CHEMICAL PROPERTIES**

COLOR: Off white  
ODOR: Mildly sweet, earthy odor  
pH: 5.1 – 6.2 S.U.  
BULK DENSITY: 0.62 – 0.96 g/cm<sup>3</sup>  
SOLUBILITY: Soluble in water  
PHYSICAL STATE: Powder

**PRODUCT FORMAT**

301066 – 3 x 100g / 3.5 oz.

**PRODUCT BENEFITS**

- Saves the cost of hiring someone to pump out your system
- Safe for all plumbing and piping
- Includes three 100g / 3.5 oz. packets that are designed to restore, boost, and maintain your septic system
- Revolutionary technology used in sewage treatment plants
- Nontoxic

## PRODUCT DOSING

1. Use one packet on each of: Day 1, Day 7, Day 14.
2. Flush toilet before applying treatment – preferably at night. Do not use disinfectant cleaners on toilet bowl prior to dosing.
3. Open packet, pour contents into toilet bowl, and flush immediately. For homes with multiple toilets, divide contents evenly among bowls and flush each toilet immediately.
4. For best results, pour contents of packet into toilet bowl and flush immediately before retiring. Do not flush toilet or use running water for at least 4 hours after flushing packet contents.

## STORAGE AND HANDLING

The product is sold in food grade metallized polyethylene bonded film bags and has a three-year shelf life (when stored in a dry place away from direct sunlight). Store in cool, dry location out of direct sunlight. Storage above 40°C (104°F) for extended periods is not recommended.

## SAFETY

The product is classified non-hazardous and non-flammable. To download Safety Data Sheet and Hazard or First Aid Information, go to [www.biowishtech.com/sds](http://www.biowishtech.com/sds).

## NOTICE

Ineffectiveness or other unintended consequences may result from, but are not limited to, management practices or product misuse. All such risks shall be assumed by Buyer and User.

## COMPATIBILITY

BiOWiSH™ Septic Rescue will not operate effectively in the presence of high concentrations of some chemical products such as disinfectants. Please contact a BiOWiSH Distributor representative in your area for site specific compatibility information.
