

# Animal Agriculture Application Questionnaire

**Step 1:** Download PDF

**Step 2:** Save to desktop (or other folder)

**Step 3:** Open the locally saved form and complete

**Step 4:** Use the [Submit](#) button on pg. 2 or email to [animalag@biowishtech.com](mailto:animalag@biowishtech.com)

Distributor/Primary contact name:	Date:	
Livestock species:	Site name:	
Industry segment (breeder, finisher, etc):	Breed:	
Land area:	Value of production live weight/kg:	
Housing/Barn/Pen type:	Number of housing units:	
<b>Breeding animals (if applicable):</b>		
Number of brood stock	Average weaning weight (or days till weaning)	Conception rate
Feed source (feedmill, distributor, self etc):	Antibiotics administered in feed or water:	
Feeding frequency (ad libitum, 2 times/day, etc)		
Estimated average daily gain (ADG):	Estimated average daily feed intake (per animal):	
Actual feed conversion ratio (FCR):		
Water source (municipal, well, etc):	Watering system (in-line, troughs, etc):	
Bio-security measures implemented on farm? If YES, please describe:		
List common diseases/health issues confronting your operation :		
Detail disease prevention program:		
Vaccinations administered:	Rate/cost per animal:
